

2006 NIST Machine Translation Open Evaluation License Agreement (MT06)

In the remainder of this document the term **User** refers to _____ of
_____ and the term **User's research group** refers to:
_____.

This is an agreement between **User** and the Linguistic Data Consortium (LDC) under which **User** will receive material as specified below.

User will receive one or more files, named below under "Corpora and/or Data Received," containing speech and/or text data. **User** agrees to use the material received under this agreement only for purposes of the 2006 NIST Machine Translation Open Evaluation. **This license is valid until September 30, 2006 only, at which time User agrees to delete the data and any files and software derived from it from any computer or media onto which it has been copied.** **User** may retain the data by agreeing to license the data as a nonmember or by joining the LDC. **User** further agrees not to disclose, copy or redistribute the material to others outside of the **User's research group**.

User agrees that neither the Linguistic Data Consortium nor the University of Pennsylvania warrant the accuracy, completeness, currentness, merchantability or fitness for a particular purpose of the information. In no event will the Linguistic Data Consortium or the University of Pennsylvania be liable to any authorized user, or anyone else for any loss or injury caused in whole or in part by its negligence or contingencies beyond its control in procuring, compiling, interpreting, editing, writing, reporting or delivering the information, or any errors, omissions or inaccuracies in the information, regardless of how caused. In no event will the Linguistic Data Consortium or the University of Pennsylvania be liable to the organization, any authorized user or anyone else for any decision made or action taken by the organization or any authorized user in reliance upon any part of the information or for any consequential, direct, special or similar damages, even if advised of the possibility of such damages.
